Terms & Conditions

Please carefully read and understand the following terms and conditions before registering with KDH Global FC:

- Players will be assigned to specific training groups and can only attend training on designated days.
- Training sessions canceled due to bad weather will not be rescheduled nor replaced.
- No replacements or substitutions classes will be allowed. Notice has been given earlier in the year regarding this matter.
- Payment must be made on the 1st day of each month.
- Players can take a break after a month or term, but their slot will not be guaranteed unless monthly or term payments are made. Parents can make their decision regarding this.
- All payments made are non-refundable.
- Full payment must be made before the start of each term or month, depending on the package chosen.
- KDH has official off periods: July 30th to August 7th and December 24th to January 2nd. During these periods, there will be no sessions or replacements. Please note that KDH have trainings everyday, including public holidays, except for KDH official off periods. Which is why these off periods are included in the monthly or term fee to allow coaches to take a break and visit their families.
- KDH does not offer the option to freeze a term or month.
- If a player sustains an injury during official training at KDH and is unable to train for more than one month, we will replace one month of training. However, parents must provide an official doctor's report, X-ray, or MRI from a hospital (not a clinic) within 3 days after the training session.
- Paid term or month packages cannot be transferred to others.
